

On Site Dispersal Sales & Auctions

Alexanders have been conducting on site auctions within the region for many years and we pride ourselves on providing a professional and affordable service.

We offer a bespoke on site auction service tailored to your requirements, with advice on:

- Sale Layout
- Lotting
- Reserve Prices
- Catalogue Preparation and Distribution
- Advertising
- Fully compliant RICS client accounting system for collection of sale monies and distribution

Our long standing policy is not to charge buyers premium on any lots sold at on site farm dispersal sales.

We have been undertaking dispersal sales for over 35 years and regularly undertake sales of farm machinery and equipment, vintage machinery and construction machinery together with our annual grazing and Hay and Straw auctions.
