

## Rural Support Schemes

**There are many rural schemes in existence and understanding all the regulations and requirements can be a complex area.**

Alexanders offers a range of professional advice on all rural support schemes and offer comprehensive advice on Single Farm Payment matters including Cross Compliance and Statutory Management Requirements, ownership and boundary changes, Rural Land Register mapping enquiries, sale and transfer of entitlements , completion and submission of annual claim forms.

Our team of surveyors are able to offer detailed advice on Environmental Stewardship, including new and existing Entry Level and Higher Level Stewardship agreements together with existing Countryside Stewardship agreements. As part of our service we offer pre-application appraisals including farm visits and a detailed inspection to ensure the management options chosen are best suited to your requirements.
